

BONDA PRIZE 2003

**The John C. Bonda Prize for Advancement of Photovoltaics
awarded by the European Photovoltaic Industry Association (EPIA) Brussels
under the auspices of the European Commission**

Call for Nominations

**The Bonda Prize 2003 will be awarded on the occasion of the
3rd World Conference on Photovoltaic Energy Conversion
(WCPEC-3) May 12-16, 2003, Osaka, Japan**

**The prize honors the memory of John Bonda, a pioneer of
solar energy applications. It has been awarded twice, both
times on the occasion of the European Photovoltaic Solar
Energy Conference (EPSEC) - 2000 in Glasgow/UK, and
2001 in Munich/Germany.**

**In 2003, it has been decided to present the prize to an architect
with an outstanding contribution to the integration of PV
technology into buildings.**

**The EU, in recognition of the importance of the presentation
in 2003 on this world stage, has decided to make a financial
contribution to the prize.**

Terms of Reference

**The EPIA Board of Directors will accept nominations for the
prize until the following deadline date:**

15th February, 2003

**Nominations can be submitted by the candidate direct or
through any recognized professional association. The
nomination should include a letter of maximum 200 words
outlining the nominee's key achievements with respect to the
architectural integration of PV systems into a building, e.g.
roof or facade installations, internal energy supply systems,
etc. A brief curriculum vitae should also be provided.**
